

HOW TO CREATE A CHATGPT ACCOUNT

Currently, users in Vietnam can quickly and easily register for a ChatGPT account with just a few simple steps as outlined below:

Step 1: Visit the ChatGPT homepage [HERE](#), then click on the "Sign up" tab.

Step 2: Enter your personal email address and click "Continue" (you can also use Google, Microsoft, or Apple account to sign in).

A green "Continue" button is positioned below the email field and is circled in red. Underneath the button, there is a link that says "Already have an account? Log in". Below this, there is a horizontal line with "OR" in the center. Underneath the line are three buttons for social login: "Continue with Google", "Continue with Microsoft Account", and "Continue with Apple".

Step 3: Enter a 12-character password in the "Password" field. Once set, click "Continue."

Below the email field is a "Password" input field filled with dots, also circled in red. Below the password field is a box containing the text "Your password must contain:" followed by a checkmark and "At least 12 characters". At the bottom of the form is a green "Continue" button, also circled in red. Below the button, there is a link that says "Already have an account? Log in".

Step 4: Open your email inbox, then click on "Verify email address" in the email you received from OpenAI.

Step 5: Fill in your first and last name, birthday, and click "Agree."

Step 6: Click "ChatGPT" to complete the process and log in with your account to start using ChatGPT.
